

## Home-cooked, healthy and hearty

Okay, we know a simple advert cannot make your mouth water as much as the real thing, but we hope we've at least whetted your appetite with a sample of what you can expect if you move to The Grange.

Skilled chefs create menus to cater for your palate, accommodating your likes, dislikes and your special dietary needs. From great British traditional fayre to a taste of the more exotic, each of our menu choices is crammed full of goodness and bursting with flavour.

The Grange is a wonderful assisted living community boasting an impressive range of on-site facilities and services. These include a wellness suite, bowling green, bar/restaurant, hydrotherapy pool, a TV lounge/library, hairdressing salon, shop, daily activities programme and flexible care packages - everything you need to enjoy life to the full.

Tempted? Then why not join us for a traditional afternoon tea. Hurry though, this offer ends on 31st July 2010 and we'd hate for you to miss out.

## Call us now on 0845 0945050 to book your table

# Come dine with us

## Look no further than The Grange

The smell of freshly home-cooked family favourites... the taste of the finest, locally sourced ingredients... the appeal of a comprehensive, nutritionally-balanced menu... the ambience of restaurant-style dining and good company...
